Reading Log #: _____

In order to complete these Reading Logs, you will be required to read for **60 minutes every week**. For every 20 minutes of reading you will be asked to complete one of the sections below. This reading log will be due every **Friday**. You may use one of the readings in class each week for one of your sections. The other two are readings of your choice, done outside of school. We will be going to the library every other week, so please plan accordingly. If you need books to read, check them out when we are there. Not having a book is not an excuse for not filling these out.
